AMORIM CORK FLOORING

TERRAZZO

HIGHLIGHTING THE SHADES OF YOUR SPACE

Inspired by the traditional italian pattern, the Amorim Wise Terrazzo Capsule collection recreates that recognizable look onto cork flooring.

In the same way the original Terrazzo was made by reusing remnants of marble, this collection reuses natural pieces of cork. Its premise is to offer a superior level of comfort without compromising on design.

Complete with 8 different and versatile designs, from Element Mint, a lighter and more subtle version, to Twist Terracota, a darker design with a more noticeable pattern, there is an option for every space.

This collection reinvents a popular design in a much more comfortable and sustainable base - It may look like marble, but it feels like cork.

Terrazzo Capsule Collection designed by VICARA studio.
